★ How to Play

Christmas Bingo for families, classrooms and office parties.

1. Print the cards (2 per page) and cut them in half. Give one card to each player.
2. Print and cut out the calling cards, fold them and put them in a hat or bowl.
3. The caller pulls out one card at a time, reads the word aloud and ticks it on the caller's checklist.
4. Players mark the word if it is on their card. The centre FREE square is already marked.
5. The first player to complete the winning pattern shouts "BINGO!" The caller checks their card against the checklist.

HOST TIPS

- ★ Ways to win: a full row, a full column, a diagonal, the four corners or a full card (blackout).
- ★ Use sweets, buttons or coins as markers, or print in black and white and use pens.
- ★ For a longer game, play 'full card'. For little children, play 'any line'.
- ★ Every card is different, so there is always a clear winner.
