★ How to Play

A quiz for families, classes, friends and work parties – in teams or alone.

1. Split everyone into teams of 2–6. Give each team an answer sheet and a pen.
2. The host reads each question and the four options (A, B, C, D). Teams write one letter per question.
3. After each round, swap answer sheets between teams and read out the answers from the answer key.
4. Score 1 point per correct answer. Add bonus points for the funniest team name if you like.
5. Add up the scores on the scoreboard. The team with the most points wins.

HOST TIPS

- ★ Play Round 1 with younger children and Rounds 2 and 3 with older players and adults.
- ★ Showing it on a TV? Use the PowerPoint quiz game included in this bundle.
- ★ Tie? Ask a tie-breaker: 'How many days until next Christmas?' – closest wins.

★ Round 1 · Kids
